Subject: SBA 8(a) Self-Marketed Contract Opportunities On
CIA Headquarters Expansion Project

Dear Mr. Deaver:

Our association represents over 250 Black and minority business enterprises in and around the State of Maryland. One of the services that we provide our members is that of "self-marketing" SBA 8(a) contracts. It is exactly this type of service that now has me asking for an audience with you.

We are working with the office of Senator McC.Mathias, Jr. in our pursuit of SBA 8(a) participation in the Central Intelligence Agency Headquarters Expansion Project in Fairfax County, Virginia. Up to this point, we have had several meetings with various Federal agency representatives and the meetings have not proven as successful as we had anticipated. We now respectfully request to be granted an audience with you in order to map a strategy to secure SBA 8(a) contract opportunities on this huge project.

We desperately need the assistance of your office in our attempt to secure SBA 8(a) opportunities on the CIA Headquarters Expansion Project.

Please confirm a convenient time and place for our representatives and yourself to sit and arrange some sort of workplan to achieve a significant level of SBA 8(a) construction opportunities.

Thanking you in advance, I am

Sincerely,

Hanford Jones
